DAVID TISHBI INTRODUCES EARRINGS AND NECKLACES TO THE ETERNITY COLLECTION

Los Angeles, CA (June 10, 2010)— After much anticipation, David Tishbi has finally completed his Eternity Collection. The new items include lovely spinner earrings and alluring spinner necklaces, as well as an array of one-of-a-kind spinner rings.

These additions to the Eternity Collection manifest David Tishbi's ability to conceive unique, innovative, and intricate designs. He has taken his two tone signature and transformed it to uncover a whole new look. The result—never before seen designs that reveal a contemporary take on high end jewelry.

Not only has David Tishbi created stunning new items, he has also paired them with price points ranging from reasonable to high end. The Sterling Silver Spinner Earring below feature hand-pounded oxidized sterling silver spinner bands, retailed at \$89.00. Meanwhile, the Handcrafted Spinner Ring below features a hand-pounded 14k rose gold band around a hand-pounded, fine sterling silver base, retailed at \$469.
